

# Learning To Go Places

Rehearsals for Tauranga Primary School's production **Learning To Go Places** are underway, all students will be taking part.

Learning To Go Places will be held at the Bethlehem Performing Arts Centre, with matinee performances on the 17th and 18th of August and one evening performance on the 18th of August.

We are seeking sponsorship from businesses and families to contribute towards the substantial costs of undertaking such a venture. Investing in one of our sponsorship packages will enable your business to build a profile within the Tauranga Primary School community, it also ensures you have the best seats in the house for the only evening performance, or matinee if you prefer.

To find out more about this opportunity please phone us today on 07 578 6222 or return this slip to the school office with payment.
